

I am warm and furry.
I like to lick your hands and
play. I have a cold wet nose.

What am I?

I have two hands and a face.
I am round. I hang on the wall.
I make a tick tock sound.

What am I?

I am small. I hold all of your
music, games, and pictures.
You can use me to check in on
Facebook or send a tweet.
You can use me to call your
best friend.

What am I?

I am soft and made of cotton.
I keep you warm in the winter.
You put me on your lap when
you are cold in the house.

What am I?
